

BRAND COMMUNICATIONS TEAM

Communications Manager (3-5 years' experience in an agency or in-house communications team)

- Able to provide strategic counsel on media relations, digital content, internal communications and branding. SEO or digital advertising experience would be a bonus
- Skilled in media management with a personal network of media contacts
- Experience in producing corporate brand/marketing collateral
- Some editorial, digital content creation and graphic design skills a plus. Otherwise, an eye for aesthetics and a finger on what's trending works for us too!
- A reader and a writer, proficient in the English Language
- Good with details
