

JOB OPENING

We are looking for **Senior Executives or Executives** based in Kuala Lumpur

ABOUT US

Think City is a social purpose organisation based in Malaysia with the mission of making cities more people-friendly, resilient, and liveable. As a regional citymaking agency, Think City provides urban policy thinking, management and implementation of urban solutions, while acting as a catalyst for change in the way cities are planned, curated, developed, and celebrated.

RESPONSIBILITIES

- Originate and conceptualise placemaking projects
- Prepare proposals for placemaking projects
- Ensure that projects are delivered on time, within scope, budget and adhere to Think City's quality
- Stakeholder management
- Project management
- Risk Management to minimise project risks

JOB QUALIFICATIONS

Minimum qualifications:

Architecture, urban design, landscape architect or planning background, with an interest in placemaking, looking at public realm, space activation and place management.

Preferred qualifications:

- Fundamental skills of an architect/urban designer (all necessary software)
- Work experience in architecture or urban design (project management and stakeholder management)
- Excellent people skills
- Excellent written and verbal communication skills
- Ability to draw and sketch
- Problem solving skills

Please email your resumes to HR (careers@thinkcity.com.my).
